Homework 1

October 17, 2017

- Problems 3.2, 3.5, 3.13, 3.14 and 3.20 in El Gamal-Kim book.

- You are welcome to cooperate among yourselves, but cooperation must be declared. You can even make a joint delivery for up to three students maximum.

- Use the LaTeX template (you can find it in Atenea) for the solutions and deliver them as a .pdf file in the corresponding task in Atenea. In the case of joint delivery, only one of the students should deliver it.

- Homework 1 is due November 5 2017.
